## ORGANISER'S WELCOME

Welcome to **The World School Games!** Our 2021 Event Series provides an exclusive stage for athletes from across the globe to compete under the media spotlight with and against each other, in a positive, fun and competitive environment, at truly world class facilities.

Our purpose is to bring students together from all over the world, break down social and cultural barriers, and celebrate the talents, diversity and sportsmanship of athletes from different countries, backgrounds and education systems.

2020 was a year like no other. With COVID-19 decimating sports leagues and events across the world, we were forced to cancel WSG Swim, Golf, Netball, Football and Basketball - for athletes, teachers, parents and organisers alike, it was a heartbreaking situation.

One thing this experience has taught us is just how important sport is to all of our lives; nothing gets the juices flowing like a 100m final, a nail-biting penalty shoot-out, or a 1-point game with seconds left on the clock!

With life gradually returning to normal, we are now fully focussed on 2021, and we cannot wait to see students from across the world fly the flag for their school, and for their country, with distinction, pride, and honour.

## How the WSG World Rankings work

The WSG World Rankings launched at the end of the 2019 calendar year. The purpose is to recognise the dedication to school sport of institutions across the globe and their respective athletic achievements.

Every team entering a series event is awarded a set of base points for participation and then performance points based on the final standing of their team overall.

The WSG Dubai event offers a 1.33x multiple of the points available to all single sport series events.

## NEXT STEPS

All information detailed in this brochure is accurate at date of issue and all events are subject to change. Enquiries are processed on a first-come-first-served basis and the WSG team reserves the right to limit the number of entries at each event based on country of origin in order to maintain the events' global standing.

If you would like more information on any of the events contained within this brochure, please email the WSG team on [register@wsgevents.com](mailto:register@wsgevents.com) and an account manager will share further information including an event-specific brochure and quotation.
